

Record Day Information

Australia's favourite game show is back for season 3 and we want you to be a part of it! We enjoyed meeting you at our auditions and would love to invite you along to a recording of **DEAL or No DEAL**.

Deal or No Deal is unlike any other game show, because once you're in the studio you are in the game. Selection is random so you have just as much of a chance to be called up to play the main game as the person sitting beside you!

While this invitation doesn't guarantee you'll play the game, it does bring you closer to being that lucky person.

Everyone in the studio may have the opportunity to open a case on the podium, however this isn't guaranteed.

Below are the key details relating to the Deal or No Deal recording you've been selected to attend.

Please read it thoroughly and get in touch ASAP should there be any issues.

RECORDING DATE – Please refer to your email for your recording date and arrival time.

LOCATION: Docklands Studios Melbourne, 476 Docklands Drive, Docklands, VIC, 3008.

Please arrive on time. If you are running late, you may jeopardise your chance to get into the studio.

Upon arrival at Docklands Studios, you will be directed to the Deal or No Deal Studio where one of our contestant coordinators will sign you in. **Please bring photo ID.**

We will be recording multiple episodes on the day. The recording of these shows will take approximately 10 hours. Please be prepared to make yourself available for the full length of time should you be selected to participate.

IMPORTANT: If you are having difficulties on the day, or are running late, please call or text on 0403 473 533.

CLOTHING

Certain colours/patterns play up on camera & some solid colours can blend into the set so please see guidelines below. If in doubt bring a backup option.

We want to see everyone's individualism so, if you have a particular style then do let it shine through but obviously meeting the below criteria.

What to wear:

- Smart casual clothing; e.g. shirts with collars. Remember you are going to be on TV, please dress appropriately. Clean and neat clothing.
- Colourful, patterned clothes are best. Bright and cheery outfits.
- Freshly washed & ironed clothing with no holes, rips or stains.

What **NOT** to wear:

- Small checks or thin stripes (they strobe on camera)
- Black tops or jackets (they are too dark on camera)
- White tops or jackets (they flare on camera)
- Blue (all shades) tops or jackets (as they blend in with our set)
- Clothing with any large logos/branding
- Long necklaces or chunky bangles (they can interfere with audio)
- Open toed sandals are not permitted to be worn in the studio and wearing stiletto heels is not advised. No thongs
- Thin or see-through fabrics as studio lighting greatly emphasises transparency.

HAIR & MAKEUP

Please arrive camera ready. We will not be providing hair and makeup for contestants. Please arrive with your makeup done if you wish to wear it. We advise against wearing glitter or highlighter as this can strobe on camera. You may receive a light powder from our makeup artist on set if required.

PERSONAL EFFECTS

Please bring a bare minimum with you (max handbag size). We do not have a cloakroom. You can store your belongings under your seat for the day. As a standby, there may be some wait time, so please feel free to bring a book or device with you to pass the time.

Channel TEN and Endemol Shine accept no responsibility for your personal belongings.

STUDIO

Please be aware that as part of the recording, flashing lights will be operating.

A meal break has been scheduled where we will provide you with a light lunch. As it's a long day, we recommend you pack your favourite snacks to enjoy throughout the day! Please bring a water bottle to refill at one of our water stations. A tea & coffee station will also be set up.

If you have any specific **dietary requirements**, please ensure you've confirmed your spot and added dietary notes to the email. Anything additional please email
